**Event Updates:**

**City Wide:**

It was debated whether to go forward with CW event.

Cons: Not enough time was spent promoting it this year

Significant prizes would not be able to be acquired.

If the event is not as grand as events past, it may reflect badly on the club.

If we do not host the CW this year, that would also reflect badly on the club.

Pros: Even if event is not grand, everyone will still have fun.

Event planned for October 3<sup>rd</sup>.

**ADA Event:**

New shirts were available for purchase and may also be bought at Hobby RC.

Tickets for the raffles may also be acquired and collected at Hobby RC.

Setup for this years ADA will be at 4:30 PM the Friday before the event.

We are still looking for volunteers to help - contact Barb Middleton or Fred Whatley.
