

9 Nov 2009

The meeting of the Indianapolis R/C South AMA Charter Club 903 was held at Resurrection Lutheran Church and open to all members and guests.

Call to Order:

The meeting was called to order by acting President Erik Munevar.
The following guests were present: Joe Lewis

Treasurer's Report:

The treasurer's report was given by acting treasurer Chuck Gelatka. The treasury report was approved by all in attendance.

New Members:

Joe Lewis was voted in as a new member!

Old Business:

Renewal Letters:

Dues notices will go out soon. Will cover both '09 and '08 members.

Club Dinner:

There was a lengthy discussion about the club dinner. What do we want – fly? drink? A few possibilities were presented by Fred Whatley and discussed. Fred will check into using the Greenwood airport hangar and report back at the next club meeting.

Nominations:

The following were nominated for 2010 officers – Chuck Baker, Jerry Bunner, Gene Bond & Joe Lewis.
Nominations for Brotherhood Award should be sent to Bob Badger. An email will be sent around to solicit inputs from the membership.

New Business:

Newsletter:

Chuck Gelatka suggested that the club should consider doing a quarterly newsletter, instead of the monthly one as described in our by-laws. The website and emails help keep the membership informed, but a quarterly hardcopy at the local hobby shops would help folks interested in joining a club find us.

JR Indoor Event (Columbus, OH):

There were a few Southside members at the JR Indoor – Chuck Baker, Bill Rugenstein & Gene Bond. All had a great time and are looking forward to going back next year. Bill ended up 2nd in the first combat round and Gene Bond won the 2nd round (paid for the gas for his RV!) All three of us competed in the Parkzone P-51 races, but none of us made it to the final heats. The bullseye target was new this year – hit the target, win a prize.

Take Flight Event:

Greenwood Airport will be hosting a “Take Flight” event for local scouts on Saturday, 10/14 from 10am-3pm. We have been asked to bring RC models for display. There will also be a small area for us to fly electrics. If interested, see Chuck Baker.

Program:

No program this month

Show'n'Tell:

Chip Hurkmans showed us mini Pulse electric
George Owens brought in a Carl Goldberg Tiger built from a very old kit
Jim Ross had an example of the redesigned Tiger, the Tiger II

The meeting was adjourned acting President Erik Munevar.

Raffle:

Barb ran the raffle activity, but I failed to record what the raffle item(s) were.

Respectfully submitted,
Chuck Baker
Acting VP/Secretary
