

### ***Meeting Minutes***

April 11, 2011

Meeting was called to order by Vice President Jerry at 7:40pm. Thanks to Fred Whatley for taking meeting minutes

### ***Guests and New Members***

Guests Ao Zhou, Mike Doran.

New Members Mitch Hoffman, Spencer Stevens, Marty Stevens, Jerri Coverstone.

### ***Old Business***

Treasurer Matt submitted his report and it was approved as presented by the membership. Matt also reported that we did a lot better with the indoor flying site costs this year. Next year we will need to find another site due to the Benedictine Center closing. The Golf dome was suggested and will be checked into as well as the Beech Grove High School Gym. Any other suggestions welcomed.

Jerry Sharp reported on the Toledo Show. He thought the attendance was down just a bit and fewer vendors seemed to be in attendance. Lots of electric offerings with the auction being held on Saturday night.

We received news that club member Don Fisher had passed away, unfortunately too late to send any flowers. Details of the service were not available. Don was the father of club member Mark Fisher.

### ***New Business***

Keep checking the club calendar for the upcoming events and dates.

Both Duane Wright and Jerry Sharp have been watching the field and road conditions closely. As soon as practical they will plan the road repairs.

Flight training is due to begin this month. Mother Nature might delay this due to a very wet field.

### ***Program***

No program offered this month.

### ***Show and Tell***

Business portion of meeting closed at 8:20pm.

### ***Raffle***

Blade mCP X was the raffle item this month. Chuck Baker in his absence won! What a lucky guy, flying at SEFF in Georgia (where it was dry) and then winning a nice heli absentee!

That's about it for this month.

Respectfully,

Jerry
