### **Show and Tell**

Dan Campbell displayed a digital camera he purchased from Bed Bath & Beyond for approximately less than 40 dollars.

Steve Yelton displayed his scratch built fun fly plane and wanted it to be 3D capable. Its RTF weight is 2½ lbs, being power by a Turnigy D3542/6 1000KV motor using a single 3 cell 2200 mAH LiPo battery.

David Griffith displayed his scale UMX Carbon Club from E-flite. This plane gentle manner goes to the onboard AS3X system. The wing span is 24 inches with function flaps and a RTF weight is 3.17 oz. Ron pointed out that one of the coolest parts of this plane was the function navigation lights.

Doug Gifford provided an update and upgrades to his FrSky Tiaranis 2.4gh talking radio.

Meeting adjourned at 8:15 pm

### **Raffle**

Jeff Yelton won the ParkZone Spitfire Mk IX:

Respectfully submitted
