Old Business

Treasurer George Hallander gave a detailed report of the club finances. Motion was made and seconded to accept the treasurer's report.

George also provided an overview of the September 4, 2014, ADA event. The gate records indicated that 283 people attended this event, resulting in this ADA fly-in raising a total donation of \$3,058.84 to benefit the American Diabetes Association. Thanks to John Gaither for manning the microphone all day long.

Pres. David to check with Fred Whatley for a ceremonial check for presentation to the American Diabetes Association at a future meeting.

Duane Wright indicated no issues with the flying field or security.

Pres. Dave announced that he would not be running for office in 2015. George Hallander and Charles Cherry have agreed that they would be open to running for their current officer positions for 2015.

Duane provided an overview of the October 4, 2014, City Wide Fun Fly event at the Plainfield Screaming Eagles flying field. It was a cold and windy morning. IRCS had 8 pilots participating in the event. After the first round was completed, all clubs agreed to cancel the remaining rounds on account of high winds and increased possibility of damaged airplanes. IRCS had the highest score of the first round and was announced the winner of the 2014 City Wide event. IRCS agreed to host the City Wide Fun Fly event for 2015. Duane also suggested the date of the event should be late August for more favorable weather conditions.

Show and Tell

Spencer Stevens Displayed his recently acquired (Hanger 9 Extra 300) air frame procured from Ben Batts. Spencer plans to perform some minor repairs and install a DLE120 gas engine that produces 12HP and over 20lbs of static thrust.

John Gaither Displayed his HobbyZone BNF (UMX Spacewalker)

Chuck Propes Displayed a portable runway system constructed from foam board. This system gives smaller planes the ability to take off and land on a surface other than the grass.

Steve Yelton Displayed his Carl Goldberg Anniversary Edition Piper Cub, He obtained this plane at the ADA silent auction. The condition of the plane required structural repairs and recovering. {I have to say he did a superb job and the plane looks great.}

Meeting adjourned at 8:30 pm.

Raffle

Chuck Propes won the HobbyZone Sport Cub S BNF with SAFE Technology
