IRCS budget for 2015 is being developed and will be submitted at next month's meeting for approval.

Doug Gilford will present a program on Batteries at next meeting.

VP/Secretary Charles, presented the trophy to Joe Farris for being the 2014 Brotherhood award recipient

This recognition is annually presented to the individual deemed by the club members, to be an outstanding contributor in both effort and demeanor throughout the preceding year.

**NOTE:** From the survey of the 41 members present at this meeting. This year's first day (FRIGID FLYING) event has found no participants. This traditional event has seen a diminishing attendance over the years. Maybe we can make a greater effort to participate in this event in 2016.
