### Show and Tell

George Owens displayed Aero Star 40. I apologize for not getting a picture of George and his airplane.

Joe Farris displayed his latest personally designed air plane. This design continues the use of the 5% air foil design that Joe prefers and has used in all his designed and built air planes. This model is powered by a DLE-20 rear exhaust gasoline engine, also covered with Ultracote and equipped with the Eagle Tree Stabilization system.

John Gaither displayed the Escapade ARF kit by Great Planes which is being donated by John to the club. This kit will be assembled and used as a raffle item at the 2015 ADA event.

Spencer Stevens displayed, played with, and was selling to club members his newest toy, Blade Nano QX 3D BNF

## Raffle

Steve Yelton won the Horizon Hobby E-flite BNF Viking Model 12 280 Biplane.

## Program

Doug Gifford presented his program titled Care and Feeding of RC Batteries.

Adam Hunt presented his program titled Lipo Safety.

**NOTE:** Both programs were very informative and provided valuable knowledge concerning future battery use and storage.

Meeting adjourned at 9:30 pm

Respectfully submitted
