### Adjourn

The meeting was adjourned at 8:12 pm. Many stayed for the Raffle.

### Raffle

A change was suggested and tested for the raffle to conserve resources (tickets), trash generated and a little time.

There were really no participants for the \$1 and \$3 buy-in to receive 1 or 3 tickets. A new system that allows for about 25% of total tickets but maintains odds was suggested as described below. Just as usual, the winner came from the \$20 group and we conserved paper.

COST	# of Tickets
\$ 5.00	1
\$ 10.00	3
\$ 15.00	7
\$ 20.00	10
\$ 30.00	16
\$ 40.00	25
