#### **Recent Events –**

Wednesday, Thursday, August 15<sup>th</sup> and 16<sup>th</sup> – Mickey’s Camp – Coordinated by our own John Gaither Indy RC South members Doug Gifford, Jerry Bunner and Chuck Cherry with help from Zack Gaither and Jim Potter ran drone flight training and demonstrations for camp attendees. This year we upgraded to using primarily GPS stabilized Blade QX-300 drones. This upgrade made the training sessions much more manageable for the students. FPV experience demonstrations were also performed with a DJI Mavic Pro and a Phantom 3. Rain plagued the effort both days but all eight familiarization sessions for the attendees were completed.

#### **New Business –**
