

June 2018

Dear Friend of the American Diabetes Association:

The American Diabetes Association is pleased to announce the 33rd Annual Bob Gasiorowski Memorial Fly-In for Diabetes sponsored by the Indianapolis RC South Club! The annual event will take place this year on **Saturday, September 15th** at Rike Field in Greenwood, Indiana from noon-5pm.

To date, this event has nearly **\$150,000** for the American Diabetes Association! All proceeds from the event will be applied towards diabetes research and programs to improve the lives of the more than **750,000 Hoosiers and 29 million Americans who are living with this disease.**

Dollars raised during the 2018 Fly-In for Diabetes will assist in:

- **Sending children with type 1 and type 2 diabetes from all over the state of Indiana to Camp John Warvel**, a week-long summer Camp at which they will learn to properly manage their diabetes and find out that they are not alone in dealing with the disease.
- **Providing informational materials** to remove the fear and uncertainty from newly diagnosed individuals. After reading these materials, they will feel more comfortable managing their disease and following a proper diet.
- **Funding research** to ultimately remove diabetes from existence.

I hope you will join the members of the Indianapolis RC South Club in their efforts to support the American Diabetes Association. If you have any questions regarding this event, please don't hesitate to contact me and I will be happy to assist you.

Thank you again for your support of the 2018 Bob Gasiorowski Memorial Fly-In for Diabetes!

Sincerely,

Tracey Drzich

Area Executive Director, American Diabetes Association
