Meeting Minutes

June 10th, 2019

Regular monthly meeting held at Resurrection Lutheran Church with President Rick Taylor presiding.

The meeting had been planned at the field but moved to the church due to wet field conditions.

The meeting was called to order by Rick at 7:35 pm.

Rick highlighted the raffle airplane being the Horizon Timber X 1.2.

19 members including 2 Officers present (Adam Hunt was on vacation).

Visitors – No visitors this month

Treasurers Report – Treasurer Doug Gifford read the May treasurer's report.

Motion made and seconded and membership voted unanimously to accept the report.

May Meeting Minutes – Somebody read the May meeting minutes – from the meeting notes it is not mentioned who did this.

Old Business

Event Review – Rick Taylor led a discussion regarding upcoming events in the area. These are documented on the Indy RC South website event list and calendar.

Safety Review – Doug Gifford conducted a brief field safety review. Special emphasis was placed on flight operations and communications when a nitro powered model enters the flight mix.

Annual Dinner – We have confirmed plans for our annual dinner at Dye's Walk on Saturday, January 11th, 2020. A deposit of \$87.50 has been paid to hold the date. We have E-Mail confirmation that the services and costs will be held the same as this past January's event.

Shingle Project – Bob Badger reported that shingles have been procured for the upcoming work on the shelter roofs. A work party date will be scheduled shortly.

New Business

Road Work – Bob Badger provided an update on the ongoing road construction on Worthville Road after he had discussions with city project engineers. Bob advised them of the ADA charity event in September and learned that the present construction schedule should be complete in mid August. Be advised that this could change and possibly would impact available routes to the field.

Indianapolis RC South / Charter Club 903 / www.indyrcsouth.org

ADA Preparations. Things will be moving forward for our annual ADA benefit Fly-In for Diabetes. Bob Badger has been arranging for leader volunteers for the various activity segments for the event.

Spring Picnic – May 18th. Our spring picnic was held on Saturday, May 18th. The event was well attended with lots of super pitch-in side dishes and desserts. Fresh burgers and dogs were expertly prepared by Charles Cherry – the established Burger King of Johnson County. Flying conditions were good and all seemed to have a great time. Thanks to all who helped.

Strawberry Festival – June 8th. Annual event by the White River Township FD. We flew in our normal flying demonstration area. We had a good turnout of flyers and club members to man the information booth and to conduct demonstrations. Our efforts were well rewarded with many interested parents and smiling faces on those kids watching the planes and getting to fly a quad copter. Thanks to all our members that turned out to help.

Show and Tell –

Matt Gwin brought a beautiful 1450mm wing span Spitfire from Hobby King. Power is provided from a SK3 5055 380kv motor running on a 6s 3300Mah battery. The model includes lights and oleo struts on the retracts. A super looking model. His son Harrison likes the guns.

The meeting was adjourned at some unrecorded time. Most stayed for the Raffle.

Raffle – The Timber X 1.2 raffle airplane was won by Doug Gifford with save him from having to buy one.
