Rike Field Viability

Duane had spoken to Jon Taylor within the last week. Jon stated that he had not heard from the developer or his attorney concerning the final land closing date.

Potential Site # 32

Land Manager, David Bonnell, has been contacted and has also spoken to Jon Taylor about possibly bringing recommendation to landowners to rent a field location to us (drone picture of potential site #32 below).

A proposal will be generated and sent to Mr. Bonnell, who will present it to the landowners.

Additional Publicity

Adam Hunt updated the group that WTHR was contacted about running a story about our filed search. WTHR feels that the topic could possibly be political or polarizing and therefore is not interested.

A recommendation was made to also contact Carlos Diaz at Channel 13 to see if he would cover the last chance fly-in. Adam Hunt volunteered to attempt contact with Mr. Diaz.
