Meeting Minutes

Monday, September 12, 2022

Meeting was held at Dye's Walk.

Several members showed up early to enjoy a tasty dinner at Dye's Walk.

Meeting was called to order by President Chuck Baker at 7:36 pm because we were waiting for Doug to finish dinner. 😊

17 members, 3 officers and 1 guest were in attendance.

Old Business

Adam Hunt read the August meeting minutes. There were no questions concerning the minutes. A motion to approve the meeting minutes was made and seconded. The minutes were approved as read by a show of hands.

Doug read the Treasurer's Report. August income was \$185.08, and expenses were \$159.99 (raffle item). If any member wishes to have a copy of the treasurer's report, please contact Doug. Total current paid membership for 2022 is 38 (compared to 52 in 2021 at the same point). There were no questions concerning the report. A motion to approve the treasurer's report was made and seconded. The report was approved as read by a show of hands.

New Business

Jerry McRoberts gave a great summary of the Greenwood Airport Days event (Thank You to Jerry for managing this event). The event was well attended. Doug Gifford gave virtual drone flights with his FPV headset.

The flight simulator was a big hit again this year.

Chuck participated in an AMA update communication meeting concerning FRIA registration and Remote ID. The current deadline to need a remote transponder is September 16, 2023, but AMA expects that it will slip.

Our free flying privileges at the East Side Club will end at the end of September. For those who wish to keep flying at the other sites, please consider joining.

2022 Dues

All dues for 2022 are still half of normal rate. The standard member dues of \$80 will therefore be \$40 until we secure a new field. The \$10 late fee for dues paid after the end of 2021 will also be half or \$5 until we secure a new field.

2022 Officers

The current officers will remain on as interim officers until new volunteers step forward.

Presentation

No presentation for September

Next Club Meeting

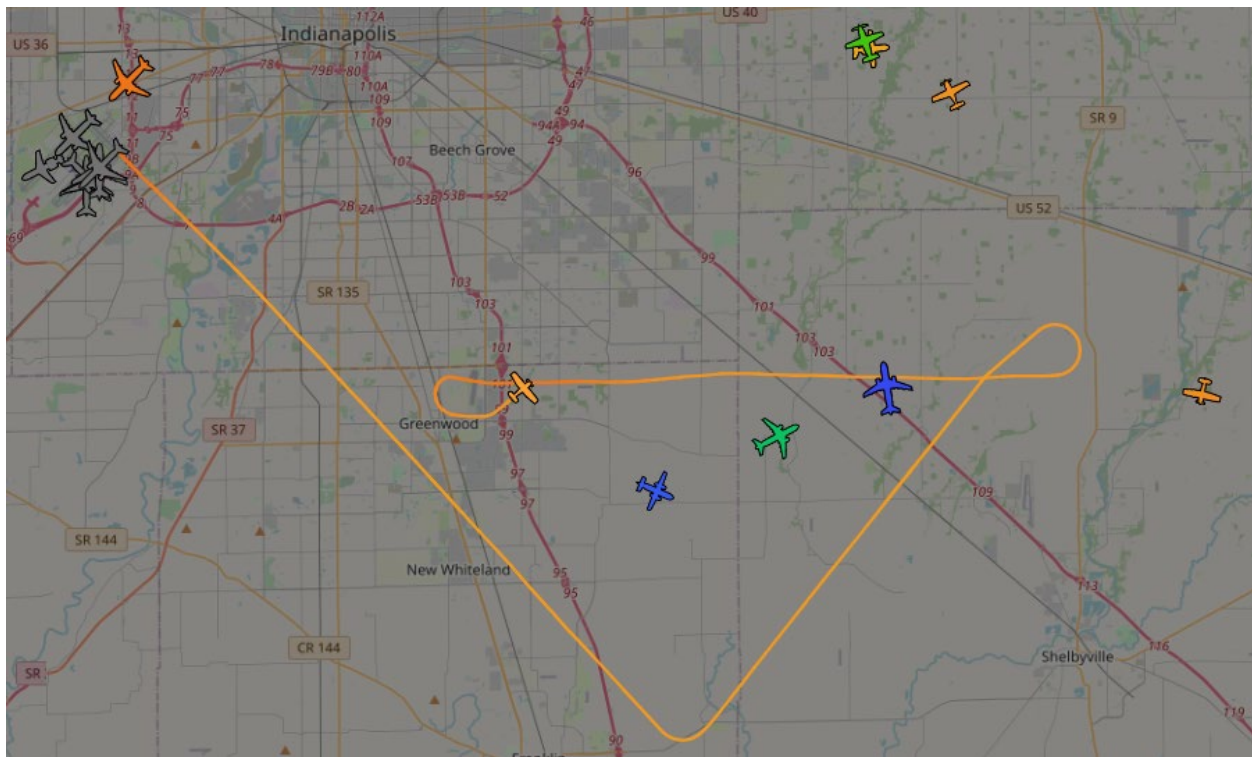

Monday, October 10, 2022, at 7:30pm (Dye's Walk)

Show and Tell

Dean Anderson brought in an old E-flite ICON A5 and some floats to give away.

Doug Gifford shared information on a website that lets you track full-scale aircraft flights in the US.

<https://globe.adsbexchange.com/>

Clicking on any of the aircraft gives you additional information and shows the recent flight path.

Chuck Baker showed off his new E-flite 50mm Habu SS (Same Model as the Raffle Item this month).

The plane flies on 1300-2200 3S batteries providing 3–5-minute flights. 8 screws provide the connections for assembly.

Adjourn

The meeting was adjourned at 8:36 pm by Chuck.
