New Field Search

An update was given on potential flying site #75. Currently, 14 neighbors will need to be formally notified of the zoning request. James has already spoken to all but one neighbor. An ad will need to be run in the Daily Journal as well as the certified letters.

We are proceeding with the zoning petition after all neighbors have been contacted. This includes expenditure of club funds to file the petition and associated fees. Estimated cost is \$700 for the zoning process.

Chuck plans to meet with the zoning board planner on November 17, 2022.

New Business

The AMA is now recognized as a Community Based Organization (CBO).

Remote ID manufacturers compliance date has slipped from September 16, 2022, to December 16, 2022.

The club dinner will be held Saturday, January 21, 2023, at Dye's Walk. Price is \$25 per person. There will be a gift exchange. Doors open at 5:45 pm. Dinner will be served at 6:30 pm.

Mike Alexa is looking for volunteers for an indoor flight demonstration at Mt. Auburn Church on the 19th, 20th or 21st of December. Chuck Baker and Gary Wild did it last year.

2023 Dues

All dues for 2023 will be half the normal rate. The standard member dues of \$80 will therefore be \$40 until we secure a new field. The \$10 late fee for dues paid after the end of 2022 will also be half or \$5 until we secure a new field.

2022 Officers

A request was made for 2023 officer nominations. None were received.

The current officers will remain on as interim officers until new volunteers step forward.
