### Old Business

Doug read the Treasurer's Report. November income was \$555.06, and expenses were \$132.99 (raffle item). If any member wishes to have a copy of the treasurer's report, please contact Doug. Total current paid membership for 2022 is 38 (compared to 52 in 2021 at the same point). 21 have currently renewed for 2023. There were no questions concerning the report. A motion to approve the treasurer's report was made and seconded. The report was approved as read by a show of hands.

You will need to join the Eastside club to use the field at Morristown.

## **New Field Search**

An update was given on potential flying site #75. Currently, 14 neighbors will need to be formally notified of the zoning request. A meeting has been scheduled for December 16, 2022, with Mr. Norton. An ad will need to be run in the Daily Journal as well as the “certified” letters.

Results of meeting with Planner (Rachael) on 11/17 to review our draft petition

- Planner indicated petition looked good, but needed to review it with others
- If we want to reuse old sign - \$100 plus landscaping – landowner comments
- If we install sun shelter (carport), there will be \$50 building permit for each
- We don’t need to send certified mail to neighbors, only have PO certify mailing
- We don’t need a copy of the Property Legal Description per the Planner
- Spoke to Assessor, who confirmed sun shelters would NOT affect landowner’s taxes
- Spoke to Board of Health to confirm septic system not installed by prior owner

We are planning to submit all documents by December 27, 2022, for January 25, 2023, board meeting.

Landowner may have interest in also installing RC Vehicle track. There were some concerns over controlling access for ground-based vehicle usage.
