The zoning board meeting planner will take photographs of site #75 location on January 11, 2023

New Business

FRIA requests can only be submitted by a recognized Community Based Organization (CBO).

The AMA is now a recognized CBO and is collecting FRIA submissions from clubs.

Remote ID manufacturers compliance date is now in force as of December 16, 2022.

The first available remote ID module is available from Dronetag Mini. The unit weighs 1.1 oz. but costs \$300. <https://dronetag.cz/en/products/mini/>

The club dinner will be held Saturday, January 21, 2022, at Dye's Walk. Price is \$25 per person. There will be a gift exchange. Doors open at 5:45 pm. Dinner will be served at 6:30 pm.

Gary Wild, Dean Anderson and Mike Alexa represented the club at an indoor flight demonstration at Mt. Auburn Church on the 19th of December. A static display, hands on learning station and flight simulators were set up and used to teach the kids about model aviation. Dean thinks that 5 people would have been about right for the size of group that they had.

Rick Taylor attended the East Side Club New Year's Day "Freeze-Fly" event.

Dean Anderson travelled to Camp Atterbury for the JCRCF "Freeze-Fly" event.

The EAA Chapter that operates out of the Greenwood Airport will be building a SIG Kadet LT40 (Electric Version). Anyone that would be interested in teaching building techniques to the builders is encouraged to contact Chuck for more information.

2023 Dues

All dues for 2023 are still half of normal rate. The standard member dues of \$80 will therefore be \$40 until we secure a new field. The \$10 late fee, which went into effect on January 1, 2023, will also be half or \$5 until we secure a new field.
