Old Business

Much to Chuck's chagrin, we were unable to get the projector to work, so he was unable to display any of the material he had prepared for the meeting! If only John Gaither had been there. 😊

Adam Hunt read the June meeting minutes. There were no additional questions concerning the minutes. A motion to approve the meeting minutes was made and seconded. The minutes were approved as read by a show of hands.

Doug read the Treasurer's Report. June income was \$801.10, and expenses were \$3,352.04. If any member wishes to have a copy of the treasurer's report, please contact Doug. We currently have 39 club members. 2022 ended with 38 members and 2021 ended the year at 52 members. There were no questions concerning the report.
